WHO WE ARE

A Whole-Person Approach to Cancer Care

The West Island Cancer Wellness Centre (WICWC) is a registered charity dedicated to offering compassionate care and support to anyone experiencing cancer - either having it themselves or supporting someone with cancer.

We exist in response to the demand for a whole-person integrated approach to wellness that focuses on improving the health and well-being of people living with cancer by addressing their emotional, physical, spiritual, social, informational, practical, and systemic needs - collectively known as the 7 pillars of wellness.

All our programs are created to support and complement traditional medical practices and are **FREE** thanks to the Centre's fundraising events, community fundraisers and the generosity of our donors.

 Over 1,450 active participants (cancer patients and their supporters), use WICWC services

Over 3,500 hours of free programming are offered to our participants each month at the Centre

 Over 30 new participants each month walk through the WICWC doors looking for help

WHY DONATE

Strengthen your community presence through the power of giving back.

Enhance your visibility and strengthen community connections by donating a raffle prize. Your contribution not only demonstrates your business's values and support for local cancer wellness but also inspires employee engagement and pride. By being part of this community-driven event, you help create momentum, generate positive buzz, and boost recognition for your business—all while supporting a meaningful cause.

Exciting, high-value raffle prizes drive participation and engagement! They encourage more ticket sales, increase visibility for your business, and help spread awareness of our mission to support cancer wellness.
